

Petitioning Representative Debbie Wasserman Schultz

Demand Debbie Wasserman Schultz's immediate resignation as DNC chair

Spirituality for Justice

During this election season, Debbie Wasserman Schultz has demonstrated the utmost sense of contempt and disdain for the Democratic Party, its principles, and the democratic process. Instead of treating each Democratic candidate fairly and equally, she has used her position to manipulate the electoral process in favor of Hillary Clinton. From her decision to severely limit the number of Democratic debates to her decision this week to cut off the Sanders campaign's access to voter files critical to the running of his campaign, Debbie Wasserman Schultz has

demonstrated that her priority is not to represent the Democratic Party as a whole, but to exclusively serve the interests of the Clinton campaign. She has brought shame upon herself, on her position, and on the name "Democrat". She has run the DNC in a manner that is contrary to its principles and has betrayed the party as a whole. Sign this petition demanding her immediate resignation to retake the Democratic Party and restore it to its founding principles.

As a lifelong Democratic voter, I'm dissapointed in the way that the DNC and its leader Debbie Wasserman Schultz are changing the rules of the game in order to favor Hillary Clinton. The DNC should let the process be fair and may the best candidate win.

Debbie Wasserman-Schultz is Hillary first, party second. She has no business serving as DNC chair. Hit the bricks!
